

Loose Bead Society
of Greater Milwaukee

Membership in the Loose Bead Society is open to anyone who is obsessed with beading....

... or wirework, lamp work, silver clay, fibers or polymer clay. We string beads and weave beads; crochet, embroider, and knit beads; we follow instructions and break rules (along with a few needles.) Our members range from beginners to nationally known designers and teachers.

*We're loose beads—
won't you join us?*
