- 5g 11/0 seed beads
- 2g 15/0 seed beads
- 2-strand clasp

Enough for an 8 inch length double-wide bracelet. You can view the colorways on Renee's Facebook page [https://www.facebook.com/Elegancebyrenee?ref=aymt\\_homepage\\_panel](https://www.facebook.com/Elegancebyrenee?ref=aymt_homepage_panel)  
Click the "MORE" tab, then click the "EVENT" tab.

Students must bring all items listed for the kit if not purchasing the kit.

#### Supplies and/or Tools to bring to class:

- wire cutters
- beading thread – Fireline, 6 lb. or a thread such as KO
- beading needles – size 11 or 12
- scissors or thread cutter
- beading mat or work surface
- tape measure
- thread conditioner or wax, optional

- bead scoop or triangle, optional
- task light and extension cord, optional
- magnifiers, optional

Thread color should be close to the color of your QuadraTile beads as it does show on the back of this bracelet. This helps hide your work on the back. Instructor has great success with KO thread and the nice selection of colors they offer.
