

2017 Spring Retreat

Kim Rueth

Affectionately referred to as the “Mother Ship” and “The Knot Whisperer” by her students, Kim loves all things beady. Beading since the age of five, having her first sale at the age of six (beaded wire rings that she sold at the neighborhood kool aid stand), beads have been a lifelong passion. Kim left the corporate world in 1993 to open her bead store, Knot Just Beads, and she’s never looked back.
