

2017 Winter Bead In

Saturday February 11, 2017

9:30 am - 4:30 pm at the New Berlin Public Library

Winter has come in like a roaring lion and if it continues we will all need a break from the cold and snow. Spend a day connecting with your fellow LBS members and create some jewelry that will chase the winter blues away.

Also, February 11th is "Don't Cry Over Spilled Milk Day" and recognizes that everyone spills a little milk now and then. It's a day to be optimistic, think positive, look on the bright side (spring is coming) and to find something good in everything that happens. Celebrate the day with a smile on your face and "Don't Worry, **Bead** Happy"!
