

# Welcome to the 2014 Annual Design Challenge!

## “Color My World”

This year's Challenge is to use the color swatch provided and let your creativity flow!

### ***Let's begin:***

1. Use the color palette on the page you selected and **use at least 2 of the colors** in your finished piece.
2. Only one color palette sheet per person, please.
3. Your submission can be jewelry, accessories, sculptures or wearable art BUT must have at least 1 bead. A bead is not a cabochon, finding, chain link, donut or the like.
4. The choice of medium is yours.
5. Please limit the size of your piece to what can be displayed on the 8-1/2"x11" Submission Form and submitted in either a 9"x12" manila envelope or brown paper lunch bag. (Nothing that can be seen through.)
6. Submit finished pieces only. If you choose to title the piece that is optional, not mandatory.
7. Your submission can be one single item or an ensemble group BUT still must fit the designated display area and 9"x12" manila envelope or brown paper lunch bag.

### ***Submissions:***

8. You must only use the official Submission Form for this Challenge. The Form will be available at LBS meetings or from the LBS website. If you print out the Submission Form at home, it must be on white copy paper only. Submissions on other papers will be displayed but not considered for voting.
9. There will be 4 categories for submissions, one for each color.
10. Submit your finished Challenge Piece in either a 9"x12" manila envelope or brown paper lunch bag with the Submission Form at the September, 2014 LBS meeting. Do NOT put your name on anything! The Special Events Committee will have your name on a sign-up sheet.
11. The membership present at the October, 2014 meeting will vote on all eligible submissions. The votes will be tallied that night, and the winners announced.
12. Submitting a piece to the Challenge means you agree to have your piece available for the voting at the October, 2014 LBS meeting. Your submission pieces will be returned to you that night.

Any questions, contact Katy Hess at [katy\\_hess@mgic.com](mailto:katy_hess@mgic.com).

***Enjoy this opportunity to let your creative juices flow with the color palettes.***
